PRESIDENT: Senator Nichol.

SPEAKER NICHOL: Mr. President, members of the Legislature, we didn't quite get through as much as we should have this morning but after lunch we will start at one-thirty, one-thirty, back on the nuclear freeze situation and a couple of people think that they have something to say that is important so we are not going to go longer than one half hour. They promise me it is less than that for each side so we will crank up the conversation at one-thirty and vote no later than two. So one-thirty sharp please. I move we recess until one-thirty, Mr. Chairman.

PRESIDENT: You heard the motion. All those in favor say aye, opposed no. The motion carried and we recess until 1:30 p.m. this afternoon.
